Procurex Wales rescheduled to 18 March 2020

6 August 2019

This year's Procurex Wales event, originally scheduled to be held at the Motorpoint Arena Cardiff on 7 November 2019, will now take place on 18 March 2020.

The Welsh Government made this decision to allow them to dedicate the required focus and resources to the event, given the original date's proximity to Brexit on 31 October. The rescheduled date for Procurex Wales will ensure that the event is a success and allow maximum participation from the buyer and supplier community across Wales.

Other than the date change, the event will remain as originally planned, with the same number of keynote speakers, Networking & Collaboration Zones, and much more besides. Any existing registrations for delegates, exhibitors and sponsors have been carried over to the new date and all package details remain the same. If you have not already booked your place, you can do so via our dedicated event website – www.procurexwales.co.uk.

In addition to Procurex Wales 2020, the presentation ceremony for the Government Opportunities (GO) Excellence in Public Procurement Awards Wales, recognising the best in all aspects of public procurement across Wales, will take place on the evening of the same date, 18 March, at the Mercure Hotel, Cardiff.

Simon Burges, CEO of Procurex Wales organisers BiP Solutions, said:

“We welcome the change in date as it ensures exhibitors, speakers and delegates have a positive experience and get as much value from the event as possible. We will continue to work alongside our colleagues at the Welsh Government to ensure Procurex Wales continues to be the ‘go to’ event for anyone with a role in Welsh procurement today.”

With so much happening across Welsh public procurement, both Procurex Wales 2020 and the GO Awards Wales 2020 look set to be fantastic opportunities to learn, network and celebrate the contribution of procurement to Wales. We look forward to welcoming you to Procurex Wales and the GO Awards Wales on 18 March 2020 in Cardiff.
